A few requests for making the parade a safe and fun event:

- Entrant must have a sign or banner displaying the name of the entry.
- Do not include anyone dressed as Santa or Mrs. Santa in your entry.
- Do not throw candy or anything else from your float. Entrants may walk into the crowd to distribute candy, etc. This is for the safety of the children. We do not want them running in front of any participants of the parade to get candy.
- Do not pull bikes, skateboards, children etc., behind vehicles or floats.
- Please do not release balloons for the protection of our environment.
- Do not obstruct the windshield of your vehicle with decorations.
- No political statements on banners, signs, etc.
- Non-specialty entries are limited to two vehicles.
- Business vehicles must be appropriately decorated. An entry with only a wreath on the bumper will be ejected.
- Do not approach the judging stand.
- Limit your performance to two minutes for a smooth flow of the parade.
- The sounding of any horn or whistle on any vehicle is prohibited. **This is enforced because we do not want to scare small children.**
- **NO AIR HORNS. NO HORNS OR SIRENS AT THE LINE-UP.**

Failure to comply with these rules could cause you to be ejected from the parade.
