January 22, 2019

The following are the minutes of the Regular Meeting of the Mayor and Council of the Borough of Ship Bottom, which was held on Tuesday, January 22, 2019, in the Borough Hall Council Chambers, located at 1621 Long Beach Boulevard, Ship Bottom, New Jersey.

Mayor Huelsenbeck called the Caucus Meeting to order at 6:33 p.m. and asked the Clerk to take attendance. The following were present:

Councilmen Butkus, Hartman, Tallon and Valyo. Rossi and English, absent.

Kathleen Flanagan, Chief Finance Officer, was also present.

During the Caucus Meeting, Anthony Orzo, 232 W. 21st St. and Ken Perry, 223 W. 10th St., of the Beach Haven First Aid Squad, gave a presentation about their organization. They recognized Captain Jack Casella of the Beach Haven First Aid Squad. They are currently running a community-based membership drive. Ken Perry read the following, (with occasional additional comments):

“In speaking with Kathy Wells, she suggested we provide a brief review of BHFAS 2018 Services. (Typically, we provide this update at our induction dinner). We wish to provide this update in a more formal manner.

Thank you to the governing body of Ship Bottom, residents, visitors and supporters of the Beach Haven First Aid Squad.

Thank you to Ship Bottom municipality, all depts.; public works, OEM, Beach Patrol, Fire Dept and Police Department. We appreciate you, at all levels.

We wish to extend a special Thank you, to the Ship Bottom Police Department. Our Police officers are the true first responders. We could not complete our mission of providing EMS service to Ship Bottom and LBI without them.

SBPD officers as a group of officers are the best at community-based policing, they go beyond assisting us and the residents of Ship Bottom. They are truly professional, compassionate and caring, always protecting us during our response. Assisting and offering their expertise on every call. Our deepest appreciation to Chief Sharkey and the officers SBPD. Thank you!

Last year, the State implemented significant changes in our patient information management. EMR. Electronic Medical records.

In 2017 the state passed a bill **NJ S5/Assembly 4925** which required all ems services ALS/ BLS to electronically report certain data to the New Jersey Department of Health (DOH).

Implemented by the state on January 1/2018. This information must be reported to the DOH using the most current format established by the National Emergency Medical Services Information System (NEMSIS). BHFAS implemented these requirements using Image trend™. as required.

We were the 1st agency on LBI. to satisfy this requirement. To implement these changes, we needed hardware. 5 New, IPADs or tuff books, protective cases/key boards, updated printer and secure encrypted Wi-Fi. As well as hours of training and some trial and error. This process update will provide analytics to the State and local EMS units, for improved patient response and outcomes.

In conjunction to these changes and to provide higher levels of response, the BHFAS Board of Trustees approved the services of a Physician, Medical Director to oversee our organization. Dr. Ken Lavelle MD of ETC emergency medical training consultants was contracted. His medical direction extends too many EMS services, public and private. His service provides ongoing training and clinical oversight for EMTs and first responders. All EMS providers on LBI have contracted with this service. This has enabled us to share in training and services. Dr. Lavelle is available 24 hours for support and consultation.

Over the years Beach Haven First Aid has morphed into a full-service EMS provider. With Certified EMT's, first responders as well as other Registered and licensed healthcare providers (Respiratory Therapist, Nurses and Physical Therapist cross trained as EMT's).

We maintain two district buildings, Ship Bottom and Beach Haven. We operate 5 ambulances, 2 rapid response 4x4 vehicles (high water) which can also transport. 1 administrative vehicle. Our

January 22, 2019

ambulances are stocked with the latest equipment and supplies. All of our Electric power lifter stretchers were replaced last year. We carry and administer oxygen, EPI pens for anaphylaxis, Narcan™ for overdose. Quick Clot for hemorrhages, Nebulizers for administering Albuterol. Bronchospasm. Patient assist with nitro as well as a true life “Aspirin”.

We are also equipment and trained in maintaining respiration, circulation and skeletal stabilization. Our equipment includes AED, Mechanical heart compression “The Thumper”. Pulse oximeters, Automatic Blood pressure cuffs, artificial airways nasal and oral. Suction. Of course, the standard splints, gauze, bandages and compression. And traction devices for compound fractures. Devices for safely removing patients from elevated homes. Back Boards, Stair chairs, reeves and mega movers. As well as the ability to call for ALS, Advanced Life support and Medivac Helicopter transport for critical patients

With the updated EMR. Electronic Medical records we are now receiving Analytics, from the state.

LAST YEAR WE responded to 1223 calls dispatched by county. Not counting scheduled standbys, such as the Ship Bottom concert series, 18-mile run, Polar Plunge, Chowderfest and any large gathering requesting our support.

BHFAS averaged 100+ dispatches per month in 2018.

These numbers don’t tell the whole story.

Off season, 50 -60 calls a month average.

Summer numbers; June, July, August and September over 200, 911 responses. July being our highest with 233 calls.

Response times, average unit in route 9 mins. State 90% is about 17 mins. Our response times are many times quicker than reported as our Capt. Jack Casella sends an EMT direct to scene while the rig is being pulled to stabilize and access the patient.

We also provide Oxygen tank refills and inspection to all Police, fire and Beach Patrols of SB, LBT and BH. We have a high-pressure oxygen trans fill station at each building. Last year the BHFAS filled and inspected over 200 D tanks.

In closing we would like to share the many thank you letters we received from our patients. We extend these thank you letters to the Boro, as you support us in our mission, in particular to the Ship Bottom Police department. We would be remiss if we did not also thank our Capt. Jack Casella for his leadership and dedication to the Beach Haven First Aid.

If we can ask one favor of the Borough, it is to support us in our membership drive that started yesterday at the LBI library during the Martin Luther King Day of service.
